The Sixth Annual North Carolina Workers' Compensation Educational Conference

August 14-16, 2001

The Industrial Commission and the International Workers' Compensation Foundation are jointly sponsoring an Educational Conference which is unique in North Carolina. The goal of this conference is to educate those who participate in the North Carolina workers' compensation system regarding current rules, procedures, policies and forms and to provide an opportunity for dialogue among these participants. The presenters are Commissioners, Deputy Commissioners, Section Heads of the Industrial Commission, plaintiff's and defense attorneys, physicians, chiropractors, physical therapists, insurance adjusters, medical and vocational rehabilitation specialists and mediators.

Breakout sessions will be utilized to discuss certain topics in specific detail for a more specialized view while other topics will be presented from a more general perspective.

Who Should Attend?

All employers, insurance adjusters, self-insurers, third party administrators, safety and human resource managers, plaintiff's and defense attorneys, health care providers, mediators and medical and vocational rehabilitation providers are encouraged to attend. In fact, anyone interested in the workers' compensation system in North Carolina will receive valuable information at the conference. Group rates are available.
