NOTICE

The North Carolina Industrial Commission is in the process of re-negotiating its contract for court reporting services for hearings before Deputy Commissioners.

The expeditious production of transcripts and exhibits will shorten the time for issuing Opinion & Awards. We have initiated inquiries regarding digital recording systems and other developing technologies.

If your company or firm has utilized a technologically-advanced court reporting system or if you have information that could be helpful in our efforts, please e-mail by May 31, 2008 Commissioner Buck Lattimore at lattimob@ind.commerce.state.nc.us or Commissioner Christopher Scott at scottc@ind.commerce.state.nc.us.
