

SAFETY CHAMPION

Does your business have teammates that demonstrate a passion for safety?

The Blue Ridge Council offers a program segment during our quarterly meetings to recognize "Safety Champions".

We will recognize those individuals or teams that have made meaningful contributions to your team's safety. They will receive a Safety Champion "Gold Sheet" in appreciation for their safety efforts and enjoy an evening with the council.

Inquire with Wayne Everett at 704-692-6597 about the "Safety Champion Recognition Program that allows you to recognize team players on safety during our quarterly meetings. We will prepare a Safety Champion Gold Certificate with the persons name and ask them to step up and receive the award during our meeting. This is a great way to honor those that help you maintain safety. Request as many certificates as you desire for those that accompany you to the meeting.

BRSC SAFETY MESSENGER

As a member of the council you will receive a quarterly email issue of the BRSC "Monthly Safety Messenger". This news letter will bring you information on regulatory topics and current news on safety success of member companies and informative accounts of accidents and accident
