NORTH CAROLINA INDUSTRIAL COMMISSION

Information/Hearing Access for Members of the Public

Full Commission hearings are open to the public. Members of the public may join and view any of the hearings posted here by utilizing the below link associated with the specific hearing you wish to view.

For videoconference hearings, please join the hearing at least 10 minutes before the scheduled start time and remain muted for the duration of the hearing, as non-muted participants can cause problems with sound quality and court reporting. You may be asked to provide your name for the record.

For in-person hearings, please be advised that due to limited gallery seating in the hearing room, members of the public who wish to attend an in-person hearing must notify [Heyward Earnhardt](#), Counsel to Commissioner Adrian A. Phillips, in advance. This will help us manage seating arrangements and ensure compliance with capacity limits.

If you have any questions, please contact [Heyward Earnhardt](#), via email.
