

Health Information Privacy

I. Overview

- A. Statement of the Issue
- B. Status of the Debate
- C. How the discussion relates to property/casualty, insurance generally, and workers' compensation in particular

II. Workers' Compensation

- A. What are workers and employers entitled to?
- B. What problems now exist?
- C. How should these entitlements change, if at all?
- D. How would the proposals under consideration change things, if that can be determined? Would the overall result be an improvement? How can this be measured?

III. Issues

- A. Shield, or sword?
- B. Is the red tape worth the result?
- C. Who regulates?
- D. What is the administrative burden? On whom?
- E. Is there a better way?

IV. Resolution
