

## **Lindee Greer, P.T.A. ,C.E.A.S**

Lindee graduated with honors from the Odessa College Physical Therapist Assistant Program in 1992. She has over fourteen years of clinical experience with Odessa Physical Therapy in outpatient orthopedic rehabilitation and occupational medicine, including extensive performance of the WorkSTEPS® employment testing and FCE protocols. She has been a guest lecturer for the Texas Tech School of Medicine regarding occupational medicine issues. For the past seven years she has conducted training sessions across the country, instructing other physical therapy professionals in objective job analysis and employment testing techniques, and in May of 2001 she was named the Director of Training for WorkSTEPS, Inc. She is certified through the Back School of Atlanta as a Certified Ergonomic Analysis Specialist.
