

## Dr. Bradley K. Vaughn

Dr. Bradley K. Vaughn is a board certified orthopaedic surgeon experienced in adult total joint replacement and revision surgery. Prior to joining Raleigh Orthopaedic Clinic in 1992, he received his medical degree from the University of Illinois, completed his residency at the University of California, and pursued his fellowship in adult reconstruction in Columbus, Ohio. In addition to performing total hip and knee replacements and revisions, Dr. Vaughn consults in the development of current surgical techniques and the design of implants for hips and knees. He also participates in studies to improve existing procedures and devices. He has published articles in all the major medical journals. Dr. Vaughn lectures at medical meetings throughout the United States, as well as Europe, Australia, and Japan.
